

No effort will be made by this organization to shield any malefactor. In finding this League, the Order of B'nai B'rith pledges its hearty support in the future, as it has done in the past, to the enforcement of law against all violators, Jew or non-Jew.

A committee of one hundred citizens, residents in the various cities throughout the United States, has been selected to perfect the organization and to carry out its objects.

(Signed) ADOLF KRAUS, President,
