Atlanta City Directory,  
City.

Dear Sir:

In response to your letter of the 13th. inst., we wish to state in reply that our ad in this year's City Directory was the best paying advertising investment we ever made.

We have had already sufficient results from it out of the city to pay for it many times over.

Furthermore we had an order of \$150.00 from Crystal River, Fla., which came directly from it.

As evidence to our satisfaction, we herewith enclose contract for three times as much advertising in next year's directory.

Yours truly,  
Southern Wire & Iron Works.

## THE BUICK STORY for 1913

More Power  
More Speed  
More Refinements  
More Beauty  
More Ease  
More Car  
More Satisfaction

For LESS MONEY

Over a hundred thousand Buick Cars have been built, and sold, and we challenge the producing of a single worn out Buick Car, or a single instance where one has been permanently laid aside by reason of its owner being unable to secure parts from any of our Factory Branches or Distributors, who are located in every important trading centre in the United States and Canada, to say nothing of hundreds of permanent Buick Dealers in every city and hamlet in the country, where Buick supplies and parts are kept for the convenience of Buick owners.

In this, the largest Automobile Factory in the world, nothing is built but high grade automobiles, complete, from the finest raw materials the market affords, including motors, radiators, frames, wheels, transmissions, front and rear axles, springs, bodies, fenders, drop forgings, tops and trimmings; in fact, the car complete, even including bolts, nuts and cap screws.

This immense factory with its facilities, modern machinery and ample capital is a continual guarantee that a Buick Car will never be discarded for want of parts for replacements, for, at reasonable prices and convenient places of delivery, duplicate parts may be obtained for any Buick Car that has ever been built.

THE ATLANTA BRANCH shows a full line and offers every service that any owner can reasonably expect.

Your inspection is cordially invited.

Dear Sir:

IN RE "ROYAL PEACE TREATY" FOLDER.

As the typographical work on this folder was done at your plant, it occurs to me that you would be interested to know that the "Royal Peace Treaty" was warmly complimented at the recent Annual Conference of the North American Managers of the Royal Insurance Company; where the opinion was expressed that it was perhaps the handsomest piece of advertising matter ever issued by the Company in this country.

This endorsement merely emphasizes the feeling which we have in this office that the artistic press work which you do for us is of great value in "carrying the message to Garcia."

We are, dear sir,

Yours very truly,

## Eyeglasses Not Necessary

Eyesight Can Be Strengthened, and Most  
Forms of Diseased Eyes Successfully  
Treated Without Cutting or Drugging.

That the eyes can be strengthened so  
that eye glasses can be dispensed with in  
many cases has been proven beyond a  
doubt by the testimony of hundreds of  
people who publicly claim that their eye-

sight has been restored  
by that wonderful  
little instrument called  
"Actina." "Actina"  
also relieves sore and  
granulated lids, iritis,  
etc., and removes cat-  
aracts without cutting  
or drugging. Over 95,-  
000 "Actinas" have been sold, therefore  
"Actina" is not an experiment, but a re-  
liable method of treatment.

"Actina" can be used by old and young  
with perfect safety. It is impossible to do  
harm with one. Every member of the  
family can use the one instrument for any  
form of disease of the Eye, Ear, Throat  
or Head. One will last for years, and is  
always ready for use. It will be sent on  
trial, postpaid.

If you will send your name and address  
to the Actina Appliance Co., Dept. 218-N,  
811 Walnut Street, Kansas City, Mo., you  
will receive, absolutely FREE, a valuable

# Free Book to Stammerers

In this book I give the history of my own case. I quote letters from friends and neighbors who heard me stammer for nearly twenty years. I tell of the many alleged cures I tried. I explain how I found out the cause of my trouble and cured myself without drugs or knife. I give letters from people who thought my cure so wonderful and valuable to mankind that they urged me to try my method on others who stammered. I tell how I cured these pupils, too. I print letters from them, many written many years afterward, showing the permanency of the cure.

You stammer for the same reason that I did. Therefore, the same method that cured me will cure you. You should read the book at once. I will send it to you absolutely free. You will not be under any obligations to me whatever. I simply ask you to read it carefully, as you will gladly do after glancing through it. Send the coupon at once.

I will send you free a book of good advice on the cure of stammering if you will tell me how long you have stammered and your name, address and age.

## No Moonshine—Just Plain, Unvarnished, *Cashable* Facts About Poultry Profits

If there ever was a straight-from-the-shoulder, look-me-in-the-eye and hold-up-your-right-hand statement of facts, you'll find it in JOEL M. FOSTER'S book, "THE MILLION EGG FARM."

Mr. Foster owns the famous Rancocas Poultry Farm, and in his book he tells his methods for producing upward of *eleven hundred thousand eggs a year* and piling a clean annual profit of close to \$20 000.00.

We *know* that the statements in this book are cold facts—because we proved them by an exhaustive investigation before publishing THE MILLION EGG FARM for distributing to Farm Journal subscribers. We have sold many thousand copies of this book, and we *know* from the actual experiences of those who have read and followed it, that these facts can be profitably applied by *you*—whether you have a dozen hens on a back lot, or number your fowls by the thousand.

Up in Scranton, Pa., a clerk, Robert Liddle by name, seeking to better his fortunes, read this book, followed its directions, and at last reports was cleaning up \$17.00 a day profit on eggs.

In the light of such experiences, we *know* that farmers need this book. That's why we publish it and are trying to put it into the hands of every poultry owner. To *serve* the Farmer is the whole purpose of FARM JOURNAL. To serve him with sound advice regarding every branch of farm work.

To enable him to profit by the labor-saving and money-making discoveries of other farmers. To serve the farmer's wife with helpful suggestions. To serve the farmer and his entire family with clean, wholesome entertainment.

FARM JOURNAL has its own way of presenting facts in crisp, interesting, readable form. It is the National Farmer talking in a human, understandable, sympathetic way to the individual farmer. It is educational without being tiresome. It is bright, cheerful and *clean to the core*. Fakes, quacks and all other swindling advertisers are forever barred from its columns.

Upward of four million readers welcome its monthly visits. Two or three copies will make *you* a confirmed reader of Farm Journal. You *need* this paper and you *need* the MILLION EGG FARM book. None of us ever know so much about our work that we can't learn any more.

### I Can Make You a Convincing Speaker

says this man, Grenville Kleiser. Will you give him the opportunity?

People always listen to a man who has something to say—if he knows how to say it.

"Ninety-nine men in every hundred in the crowded professions will probably never rise above mediocrity because the training of the voice is entirely neglected and considered of no importance," wrote Gladstone.

Isn't there a world of truth in his words?

Haven't there been occasions when you have noted the tremendous advantage possessed by the man who can clearly express himself before one or a thousand people?

If you are lacking in this essential qualification, why not acquire it *now*?

Let Grenville Kleiser (formerly of Yale Faculty) teach you *by mail*

### **HOW TO SPEAK**

**CONFIDENTLY - FLUENTLY - POWERFULLY**

**- in Salesmanship - Politics - Society - at  
Public Meetings - Dinners - ANYWHERE**

**Let Him Teach You How to Develop Self-  
Confidence, Power and Personality**

It will take only fifteen minutes of your time daily for a few months, and the results are assured. Mr. Kleiser's successful students number thousands of men in every profession and business—lawyers, physicians, bankers, clergymen, teachers, salesmen, and other ambitious men who desire to win recognition in fraternal orders and clubs.

**JOSEPH P. DAY**, who sells \$35,000,000 worth of New York real estate yearly, says: "I want to take this occasion to express to you my opinion of the really great educational work you are doing in teaching men public speaking by mail, and aiding them to develop their selling force and personal power. You have put into your course your own personal magnetism and enthusiasm, so that men in all parts of the country now have the opportunity of receiving your splendid instruction. Your course has been of great service to me in my business, and I commend it to others in the highest terms."

**THIS IS ABSOLUTE, POSITIVE AND BEYOND CONTRADICTION**

Twenty-two years of actual use in hundreds of thousands of cases of disease of every name, nature or character has demonstrated the infallible power of OXYDONOR to such an unquestionable certainty that it will stand the most scrutinizing investigation.

Will you write for proof—conclusive, positive evidence of what OXYDONOR has done and is doing?

We want to send you postage free, a booklet containing complete information on how and why OXYDONOR came into existence and testimonial letters from men and women in all walks of life, and in every community who have been taken from the dismal depths of ill health and sickness to that perfect physical condition known as good health through using OXYDONOR.

Many of these people you know either personally or by repute and we know that their honest expression of OXYDONOR Knowledge will outweigh any doubt there may be in your mind as to what OXYDONOR accomplishes.

We fully endorse above statement to the public and want to state further that long years' use of OXYDONOR has shown us its priceless value as a family possession for restoring and maintaining Health. Official recognition of Dr. H. Sanche's Theory of Diaduction would soon rid the world of Disease in its most dangerous forms, but as long as this cannot be had, every intelligent person should regard it their duty to become familiar with OXYDONOR. We consider OXYDONOR the greatest discovery and invention ever made by one single man, and to be deprived of its use would mean the most serious loss we could sustain.

Free: Four Booklets Which Have Taught Many People to Cure Themselves.

A university student writes from Lincoln, Nebraska:

"I have confidence in this system. It has relieved an unsightly skin and mental inertia through the valuable suggestions and hints in your four booklets. There is a mine of practical hints in them; enough to convince a sceptic were he to stick to the rules faithfully and give it a trial.

"Your little books eliminated chronic catarrh from my system in about three weeks. *To put it weakly, I was astonished.* I know now, that butter, eggs and rich cream caused the trouble. I thank you for your knowledge and hope to learn more of your system in the future."

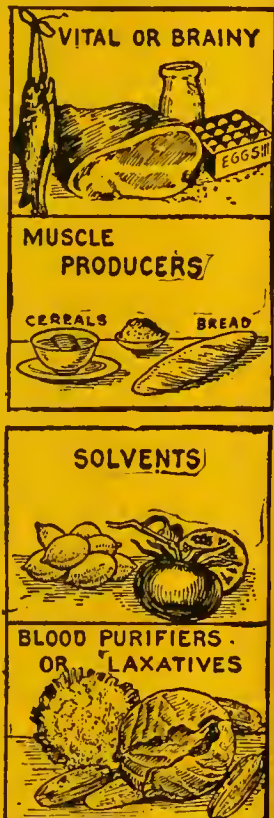

## Different Classes of Foods Cause Different Diseases.

I have produced in myself *at will* from time to time such complaints as rheumatism, catarrh, fevers, kidney trouble, blackheads, sores, dandruff, etc., by eating different classes of foods to excess, proving that the waste from each class of foods produces an entirely different disease.

For instance, eggs, cream, butter, cheese, milk and salt are mucus-making foods which produce catarrh. Starch and eggs (paste-making foods) in wrong combinations congest and produce headache, dullness, brain fag, etc., while lean meats, green vegetables, and fresh, juicy fruits do not.

BRAINY DIET

LONGEVITY

**NO FOODS SOLD  
NO FASTING  
NO EXERCISES**

A thin man, after being out of work nearly a year through weakness, was restored in three weeks to hard work as a carpenter at full pay. In such cases the change from a clogging, death-producing diet to energizing foods caused a literal transformation.

Another patient, deaf in the right ear, owing to a discharge caused by an excess of mucus-making foods (cream, butter, cheese, etc.), was completely cured of deafness and catarrh by taking correct combinations of suitable foods.

A case of kidney and bladder trouble of ten years' standing was saved from a surgical operation, and the objectionable discharge cured within ten days, because the loss of control was due entirely to the constant irritation from certain irritating foods and drinks.

## Brainy Diet

A chronic sufferer, weighing 415 pounds, unable to exercise, took correct combinations of ordinary daily foods and reduced over 150 pounds (in public life, under many witnesses) gained strength with firmer flesh, and lost rheumatism.

## Correct Combinations of Foods Cure Diseases.

I have always cured the above-named symptoms in a few days or weeks by returning to a correctly combined diet. The experiments have been fascinating and the results underlie success in life.

### People Write:

"My brain power and general efficiency have been about doubled this year by selecting brainy foods. I have made a fortune in real estate and the credit is honestly yours."

"The government should investigate and teach the Brainy Diet System for the good of the nation."

"The hints in Booklet No. III, on foods for curing congested liver, nourishing the brain, etc., are worth untold dollars, although the books are free."

## Multigraphing

# Getting Business

Is Done By  
Going After It!

### MULTIGRAPH

There are two ways to "Go After Business." One is in Person, the other by correspondence. The first is sure but COSTLY. The second can be made sure and very CHEAP. YOU CAN TALK BUSINESS TO A MAN BY MAIL AS CHEAP AS YOU CAN RIDE A MILE ON THE RAILROAD.

You can talk to one hundred men through the mails as easy as you can talk to one man by Going in person.

But you say can a letter be written that will get the business? We say YES. AND WE KNOW. THAT'S OUR BUSINESS, AND WE OUGHT TO KNOW OUR BUSINESS.

The secret is in making your letters PERSONAL. You say can you make a letter personal, and make them by the thousands. We CERTAINLY CAN. With our multigraphing equipment we can make thousands of letters that can not be detected from a personally dictated, personally typewritten letter.

If you want Business to come to your desk, instead of your having to go out and RUN IT DOWN, let us explain to you HOW IT IS BEING DONE.

The most effective means of reaching a man's attention is by a personal interview, but in 99 cases out of every 100 this is impracticable.

The next best is by *direct correspondence* and where 10 or more men are to be reached with the same letter—the MULTIGRAPH is indispensable.

## The Evolution of a Great Idea

Its Stupendous Value to Humanity is being Daily Demonstrated.

The **PSYCHOMOTOR** is a simple mechanical device linking thought to material expression in a way to make leisure hours a source of delight and profit.

Like the Typewriter, the Telegraph and the Telephone, it serves a purpose. It meets the logical requirement of a visible and objective assistant to mental and physical realization.

It is applicable to every phase of human life and expression.

It is an integral part of **THE SHELDON LEAVITT METHODS**.

For the Ill it is more Curative than Medicine; for the Unhappy it is a Wellspring of Joy, and for the Unsuccessful it is a help to Better Things.

It is a boon to everybody.

## P R E F A C E

This is Atlanta's 37th **City Directory** and the 14th under present management. During the 37 years Atlanta has grown from a **17,561** to a **217,000** population town; the book has grown from 366 to 1760 pages, and the price has grown only from \$5.00 to \$7.00, which is the price that Montgomery, Mobile, Birmingham, Jacksonville, Charleston, and many other towns not nearly so large as Atlanta pay.

Another notable feature of the **Atlanta Directory** is that it gives two-fifths more information concerning the average man than any other book published in a town of 150,000 people.

It gives his name, his wife's name, his occupation, where he is occupied and his residence; other books give only his name, occupation and residence.

We hope that every one realizes how vitally important it is that they should be correctly chronicled in the **City Directory**, a thing that costs them nothing, but may be of immense value in case of accidents, telegrams, letters, inquiries of relatives, delivery of goods or the many unexpected conditions that arise in the course of human events, in fact, a person who neglects to have correct and complete information accorded himself places himself, his friends and all whom he has dealings with at a serious and sometimes costly disadvantage.

We desire to thank all those who have aided us, in our earnest efforts to give correct and complete information. Because it is the large employer of labor who by his co-operation with us, contributes most to the accuracy and completeness of this work.

We have carefully selected our advertisers, and commend all of them to our readers, as being worthy of patronage and confidence; they are representative of the most progressive business houses of Atlanta and America, and we will insure you against loss, if, when patronizing them, you will mention seeing their advertisement in this **Directory**.

We especially invite your attention to the Yellow Section; it is very interesting.

### POPULATION.

We estimate the population as covered by the **Directory** canvass, which includes practically all that territory reached by the street car lines, to be **216,300**, and within the corporate limits of Atlanta **159,475** of them reside.

## BLACK TYPE

¶ The names appearing in **BLACK TYPE** in this directory represent the energy and enterprise of the city and it is a pleasure for the publishers of this directory to have the opportunity to make the public acquainted with them. Those in **black type** are the people who accomplish the wonders in business here and make Atlanta what it is. They recognize and support all the public necessities and things needful to improve and serve a CITY of Atlanta's magnificent possibilities. They are not the drones and sponges who never support anything, but seek rather to gain by others' hard work and money. When you patronize those in **black type** you patronize men and firms who will PATRONIZE YOU in the same broad manner that you patronize them.

Gentlemen:-

We wish a renewal of our "Ad" in your 1913 Directory. We have, up to the present date, found no better advertisement than this has given us. Just to-day, we received a large order for "gold and white" china, which like a number of other orders received, is directly attributable to this ad and we feel it is money "well spent."

## CONCERNING NAMES NOT IN DIRECTORY

A few remarks about those whose names are not in the directory will be permissible.

Do not hold the compilers responsible for every omission, for the fault is not always theirs

There are people who do not wish to have their names in the Directory and they exert themselves in every way to keep away from the name-takers.

While it is certainly no reproach upon people to have their names in the Directory, there are a number of reasons why some wish to have their names kept out of the Directory, all of which reasons are good reasons why the public should find the names in the Directory.

Included in the "Keep-Out-Clan" is the super-sensitive persons, suffering from false pride, who shrink from the exhibition of name and occupation before the public. To this class belong many young ladies and women who are holding respectable positions in the business houses of the city.

**BLACK TYPE**

The names appearing in **BLACK TYPE** in this directory represent the energy and enterprise of the city and it is a pleasure for the publishers of this directory to have the opportunity to make the public acquainted with them. Those in **black type** are the people who accomplish the wonders in business here and make Atlanta what it is. They recognize and support all the public necessities and things needful to improve and serve a CITY of Atlanta's magnificent possibilities. They are not the drones and sponges who never support anything, but seek rather to gain by others' hard work and money. When you patronize those in **black type** you patronize men and firms who will PATRONIZE YOU in the same broad manner that you patronize them.
